SUMMER 2018

A Fresh New Look

This June, volunteers from Rooftop Church spent an entire weekend repainting the shelves at the ACFP. In two days, they took us from a mix of unmatched wooden and metal shelves to a cohesive, bright, cheerful space where we can welcome families in need!

Thank you to Rooftop Church, to your volunteer leaders and the many hands who brought us from bland to beautiful!

If you have some time, feel free to stop by the ACFP and check out our fresh, new look!

From Our Director's Desk

There was a time, a few years ago, when summer was a quieter time for the ACFP. Not so much these days. This summer, the ACFP continues its 5th year providing "Brown Bags" for our youth; we are seeing a 33% increase in the need over last year! Eden UCC ran its annual Book Fair for all... kids and adults... giving away more than 140 books in 2 weeks. And our churches are "Filling the Van with a Purpose" all summer long!

DOT Foods made a donation of \$5,000 worth of food and personal care items, delivering it via semi-truck in mid-June. Volunteers repainted shelves in the pantry, giving us a fresh, new look. Nieman Marcus improved our storage with gently used shelving units. And the St. Louis Area Foodbank gave us a new commercial refrigerator.

All of these changes help us provide more fresh food for our families. As we look toward the fall, we won't be slowing down. We have a Beer Festival, our Annual Trivia Night, and our community Health & Safety Fair on the horizon. Please join us when you can!

As always, I remain humbled by the generosity of all – volunteers and donors – who make our work possible. Yours, in Christ,
